

To Our Valued Customers,

Thank you for inquiring about catering services from the B&M Catering Company! We have been serving Southern New England for 40 years, with a focus on quality, value, and service.

Enclosed, you will find our **Pickup & Delivery** menu, with hot and cold buffet offerings. Some menu options are priced by the meal, whereas others are priced a la carte. All menus can be delivered to your event or picked up (hot or cold) at our kitchen in Pawtucket, RI.

Here is how it works:

Our culinary team prepares your food in our Pawtucket commissary. For deliveries, our skilled service staff will bring the food to your location, set the buffet up on your designated table, and ensure that you have all of the serving utensils, paper goods, and condiments to make your event a success.

You also have the option of picking your food up—hot or cold—at our Pawtucket commissary. Feel free to mix and match to create your own menu. If you don't see what you are looking for, just call (401) 723-4180 to discuss your event needs with one of our experienced catering coordinators.

The pickup and delivery menu is designed to provide great food at reasonable prices. But if you require service or would like food cooked on-site, please ask about our Delivery with Service and Full Service menus.

Let us take the work out of your next social event. We look forward to serving you and your guests soon!

Sincerely,

*B&M Catering*
